This internship will be conducted online and scheduled after college hours.

We kindly request your support and approval for our students to undertake this internship. Your endorsement will be crucial in enabling them to secure this opportunity at NATPAC.

Point of contact (POC) for this internship is:

Name: - Dr. Rameesha

Contact Number: 9445653692

Email: rameesha.natpac@gmail.com

Thank you for considering our request. We look forward to the possibility of our students contributing to NATPAC while gaining practical experience in data science.
